Requests sanction to the proposal the Board to effect certain renovations to the old Dharmashala building at a cost not exceeding Rs to name it as "DB Board House"

This building is one of the houses that were abolished vide no 1462-79/Misc 268-22-11 Dy 17-4-20 and handed over to the DB Bds Concerned for maintenance as a house for travellers The building was for some time being used for the DB Board office, pending the construction of a new building for the same which is now complete. The Board now proposes to effect some improvements to the rest house for the convience of travellers as well as DB members visiting Kolar the Board meetings The proposal appears to be unobjectionable except that the Board want to name the building "DB Board House"

Mr. Venna Reddi saw me. He said that the Chattram is not big enough to hold two offices, that if the office of the Asst Regr of C.S. is located there, the saving will be about Rs. 25 per month & that if the other office regd to is located there, the saving will be a little more in any case nothing appreciable.

He points out that though the bldg. is a good one, the Dt. Bd have spent about Rs. 2000 on improving and adding to it and have minutes [illegible]

Approves office proposals

Office which was previously located in the District Office build had to be urgently shifted to the choultry pending construction new building therefor. The District Board Office thus came to located in the choultry as a temporary measure though public sen ment was against its usage as an office building in view of the that it was a charitable institution with a temple inside and it caused inconvenience to the travellers.

The new District Board Office building which was under construction for some time is completed and ready for occupation. The Office will be shifted thereto very shortly and the choultry building will be set free for the use of the travellers as originally intended. At present there is no convenience of boarding to the large number of travellers including District Board members and Officers frequenting the District Head Quarters to attend the District Board meetings, Conferences and other functions. It is therefore proposed to effect some more improvements and alterations to the choultry building and supply furniture at a total cost not exceeding Rs.1500/- and also to create facilities of boarding therein. It is also proposed to name the rest house as "District Board Home". The creation of the above facilities will enable the members of the District Board coming to Head Quarters to attend the Board Meetings to gather together in the rest house and discuss matters and arrive at definite understandings to enable prompt disposal of subjects brought up before the Board. The District Board at their last held on 2-4-1931 have approved of the above proposal viz, to spend a sum of Rs.1500/- on improvements to the building and purchase of necessary furniture etc., and to name the building as "District Board Home" (Vide copy of the resolution of the Board attached). I accordingly request that sanction of Government may kindly be accorded to the resolution of the Board.

I have the honour to be,
Sir,
Your most obedient servant,

President,
District Board, Kolar.

In reply to your letter No:L.9843pL.B.165- ated 12th June 1931. in the matter of the proposal of - ie Kolar District Board to effect certain improvements the late chattram building at Kolar and name it the - "District Board Home" for use as a Rest house for travellers, I have the honor to state as follows:-

The idea of the District Board is that the building should be rented out to a proper Hotel man of standing to be run on the lines of the Modern Hindu Hotel at Bangalore and Mysore and that a condition should be attached to the lease that District Board members when they come to District Headquarters for attending meetings of the Board or of its Committees or for the annual conferences should regard to accommodation over - other visitors in the same way as Representative Assembly members have preference over others in the Modern Hotel, Mysore on occasions of Representative Assembly. I am informed that the President, District Board has been approached by a competent Hotel manager locally with an offer of a - monthly rent of Rs.30/- on the above condition in addition to the usual conditions incidental to such lease as regards cleanliness, standard of comfort given to boarders and -- standard of catering. I consider that such a proposal is a desirable one and I do not think that the request of the
